St Chad's CE Infants School offers 570 hours as 15 hours per week, over 38 weeks per year in the Two Year Old Nursery.

3.5 Funded Early Years Education Entitlement (FEEE)

St Chad's CE Infants School supports the entitlement to 15 hours free early years provision for 3 and 4 year-olds.

From the term **after** their third birthday, all children are entitled to a free place in an Early Years educational setting to access 15 hours (570 hours per year) of Funded Nursery Education per week, over 38 weeks of the year.

3.6 With regards to the age criteria, children will be eligible as follows:

- Born between 1 January - 31 March: eligible from the start of term beginning on, or following, 1 April after the child's third birthday
- Born between 1 April - 31 August: eligible from the start of term beginning on, or following 1 September after the child's third birthday
- Born between 1 September - 31 December: eligible from the start of term beginning on or following 1 January after the child's third birthday

3.7 The nursery can accommodate a maximum of **68** nursery children over the week.

3.8 The nursery offers 30 hours free childcare as an extension to the universal 15 hours free childcare. The nursery is able to accommodate 26 children eligible for 30 hours free childcare. Parents wanting to access the universal 15 hours free childcare for three and four year olds do not need to apply for this through the digital childcare service.

3.9 For children who take up their place later in the year or have moved to the LA part-way through the year, the LA will secure a prorated number of free hours. The total number of hours will be adjusted to reflect the portion of the year remaining.

- 3.10 The LA will ensure that any three or four year olds moving to England from another country can access their free place on the same basis as other children.
- 3.11 Parents wanting to access the 30 hours free childcare entitlement must apply to do so through the [digital childcare service](#). Parents are able to access the 30 hours of free childcare for 38 weeks out of the year – i.e. during term time – or the equivalent number of hours across more weeks per year, e.g. 22 hours a week for 52 weeks. Parents will also be reminded of their possible eligibility for tax-free childcare through the digital childcare service to cover additional childcare costs, e.g. school holidays.

4. Eligibility for 30 hours free childcare

- 4.1 Parents of children aged three and four must meet one of the following criteria in order to be eligible for 30 hours free childcare.
- 4.2 Each parent earns, or is expected to earn, a weekly minimum equivalent to 16 hours at National Minimum Wage or National Living Wage (unless in a ‘start up’ period – i.e. newly self-employed – in which case they do not need to meet the income criteria for 12 months)
- 4.3 The parent is seeking the free childcare to enable them to work
- One or both parents are on maternity, paternity, shared parental or adoption leave, or are on statutory sick leave
 - One parent meets the income criteria and the other is unable to work because they are disabled, have caring responsibilities or have been assessed as having limited capability to work
 - If a non-European Economic Area national, the parent has recourse to public funds
- 4.4 Parents should check their own eligibility for the scheme using the government’s [Childcare Choices](#) website or [childcare calculator](#). If parents are eligible, they will be directed to the digital childcare service to apply.
- 4.5 Parents can only start claiming their 30 hours free childcare the term following the date they receive a decision from HMRC. For this reason, parents are urged to apply as soon as possible. If eligible, parents must provide the nursery with their unique code to confirm they are eligible for the scheme, together with their National Insurance number and child’s date of birth. As the free childcare cannot be claimed until the code has been verified, parents should provide the nursery with this information as soon as possible in order to avoid delay. Parents will be prompted every three months by HMRC to reconfirm that they remain eligible for free childcare.
- 4.6 The LA will audit the eligibility codes at several points during the year to identify any parents who have fallen out of free childcare eligibility. The LA will notify the nursery as soon as possible where parents have fallen out of their eligibility. The nursery will then notify parents within five working days.
- 4.7 If parents cease to meet the eligibility criteria, they will receive a ‘grace period’ – i.e. they will continue to receive the 30 hours free childcare for a short period of time. If a

parent falls into their grace period before their child has started a 30-hour place, they should not take up their 30-hour place. The grace period will not continue once a child has reached compulsory school age. Consideration to extend the grace period will be taken in exceptional circumstances, e.g. if a parent has been forced to leave their home and paid employment.

- 4.8 A parent who becomes ineligible during the first half of a funding block will have their free childcare funded until the end of that funding block (i.e. 31 March, 31 August, 31 December) or for as long as their child remains under the compulsory school age, whichever is shorter. A parent who becomes ineligible in the latter half of the funding block (i.e. up to the last day of the funding block) will be funded until the end of the following funding block or for as long as their child remains under the compulsory school age, whichever is shorter. If a parent becomes ineligible for the 30 hours free childcare, they will still be entitled to 15 hours of free care for their child.

5. Application timetable

- 5.1 A child is deemed to be of nursery-age from the beginning of the term following their third birthday.
- 5.2 Parents may register their interest in a place at the nursery at any time during the year following their child's third birthday, or second birthday, where eligible.
- 5.3 Application forms can be obtained from the main school office or application can be made via school's website:
http://www.stchads.derby.sch.uk/website/our_nursery/691004
- 5.4 Where places are remaining, later admissions are possible, up to the agreed admissions limit.

6. Additional costs

- 6.1 The nursery is able to charge additional costs as part of a free entitlement place – this includes, but is not limited to, the following:
- Meals and snacks
 - School trips
- 6.2 Where charges are made in line with 6.1, parents are expected to pay for these.
- 6.3 The nursery may also consider waiving or reducing the costs of meals or snacks, particularly for disadvantaged parents.

7. Oversubscription

- 7.1 The Local Academy Committee will aim to ensure that oversubscription criteria are reasonable, clear, objective, procedurally fair, and compliant with all relevant

legislation, including equalities legislation. This means that the oversubscription criteria will not unfairly disadvantage, whether directly or indirectly, any child based on a protected characteristic or economic disadvantage.

In the event that there are more applicants than available places, the school will apply the following oversubscription criteria, in order of priority given:

1. Looked After Children (LAC) and previously LAC, including those who have been in state care outside of England and ceased to be in state care as a result of being adopted. IAPLAC - Internationally Adopted Previously Looked After Children. For children who were in state care outside of England and were then adopted, you must submit evidence with your application so this priority can be verified. The evidence must show your child's adoption (an adoption order or adoption birth certificate); and - that they were in state care outside England (a letter from the state).
2. Children who have siblings* of compulsory school age still attending the school at the time of their admission.
3. Other children living in the catchment area** at the time of admission. The Council will assess applications for the address the parents are living at the closing date and will reassess applications on the National Offer Date.
4. Children who do not live in the catchment area served by the school but who have siblings of compulsory school age still attending the school at the time of their admission.
5. Other children whose parents have requested a place.

All pupils who have named the school in their EHC plan will be Admitted.

Our school is fully inclusive and our policies promote equality of opportunity for all children. We feel it is our duty to offer any disabled pupil or pupil with individual needs, a place at our Nursery, providing that we can meet their needs and that supporting agencies feel that it is an appropriate placement. However, if we feel that the admission of a new pupil with additional needs would impact negatively on the education and/or wellbeing of those pupils who already have a nursery place, then we may not be able to offer a place.

Definitions

** Siblings: For the purposes of admissions, we class a sibling as having:*

- *one or both natural parents in common.*
- *are related by a parent's marriage or are adopted or fostered.*
- *a child of parent's partner living in the same family unit.*

Note: A sibling must be living at the same address. Cousins are not classed as siblings.

****Catchment Area: Catchment areas in Derby can be seen by going to www.maps.derby.gov.uk**

(type an address into 'search' bar > map layers > education > choose **either** 'primary' or 'secondary').

Tie Break

Where there is a tiebreak scenario within the criteria, priority will be given firstly to a child who lives closest to the school based on a straight-line measurement, then by date of birth, with the older child given priority.

8. Reserve list

- 8.1 In circumstances where more applications are received than places are available, and where the oversubscription priority criteria has been applied, children who are not offered places will be added to a reserve list in order of the criteria and not by date of application.
- 8.2 If a place becomes available, the nursery will contact the parents of the child at the top of the list.
- 8.3 The reserve list is not a waiting list – if a request is made by a parent whose child has higher priority according to the admissions criteria, other children are moved down the list.
- 8.4 Placing a child's name on the reserve list does not guarantee that a place will become available.

9. Withdrawing offers

- 9.1 Once an offer has been made, there are limited circumstances in which an offer can be withdrawn – these are as follows:
 - Offers made in error
 - Offers made on the basis of fraudulent applications
 - Offers made on the basis of intentionally misleading applications
 - A child is in receipt of more than their entitlement of nursery education
 - A family registering their child at two maintained settings

10. Refusal of admission

- 10.1 A child is only refused admission if one of the following criteria are met:
 - The nursery has reached its admissions limit
 - The child is not of the appropriate age
 - If we feel that the admission of a new pupil with additional needs would impact negatively on the education and/or wellbeing of those pupils who already have a nursery place

- 10.2 Parents do not have a statutory right to appeal against the admission authority's refusal to award a place to their child.
- 10.3 Parents may appeal to the SEND tribunal against the provision named by the authority in the EHC plan.

11. Admission to Reception

- 11.1 If parents wish for their child to remain at St Chad's CE Nursery and Infant School once their child reaches the compulsory school age, they must complete a Reception application form by the January, Derby City Council's closing date to ensure their child has an offer of a place in Reception from the following September in case they cannot be re-admitted.
- 11.2 **Securing a place within the Nursery does not automatically entitle the child to place in the school. An application will need to be made and this application will be subject to the same admissions criteria as those made by parents outside of the Nursery. Please see the DfE guidelines around school admissions criteria - <https://www.gov.uk/schools-admissions>**

12. Data protection

- 12.1 The nursery will act in compliance with the Data Protection Policy when processing personal data.
- 12.2 When processing and publishing information, the nursery will ensure it meets its responsibilities under the Data Protection Act 2018 and UK GDPR. Where personal information is processed, the nursery will ensure it is kept up-to-date and the LA will ensure that the rights of data subjects are reserved at all times.
- 12.3 The nursery will act in compliance with the Data Protection Policy when processing personal data. The Trust Data Protection Policy and Privacy Notice can be accessed on the website: www.ddat.org.uk

13. Policy review

- 13.1 This policy is reviewed annually by the governing body and headteacher.
- 13.2 The scheduled review date for this policy is August 2025.
