

## How to set up class dojo on your device

You will need

- An email address
- Access to the internet
- Your child's class dojo code

1. First go to your phones app store

2. Download **CLASSDOJO**  ClassDojo

3. Press 'I'm a parent'

4. Press 'create a parent account'

5. Fill out your details

The image shows a form titled 'Create Parent Account'. It has four input fields: 'First name', 'Last name', 'Email', and 'Password'. Each field has a small icon on the left (a house for first name, a person for last name, an envelope for email, and a key for password).

6. If you have already made an account – **Log in**

The image shows a 'Log in' screen. It has a back arrow on the left, a title 'Log in', and two input fields: 'Email or username' and 'Password'. Below the fields is a 'Log in' button and a link that says 'Forgot your password?'.

7. Press your picture at the top 

8. Press 'add child' 

9. Press 'add child with code' 

10. Add your child's **individual code**  
(Off the paper from the teacher)  

11. You are now connected to your child's class dojo page

**Main messages and photos**

**Message your child's teacher**

## How to access your child's portfolio

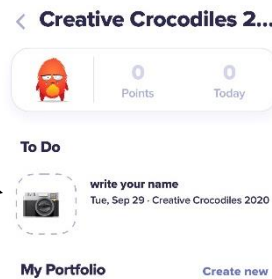

1. Click your **child's name** at the top

2. Press **the tick** under activity

3. Complete the 'to do' task

4. Submit the task back to the teacher
