Class Dojo Parent Workshop

Dear Parent/Carer,

St Chad's, are fully committed to working in close partnership with all of our parents and carers. Home-School partnerships are of vital importance. We pride ourselves on keeping parents informed as soon as possible and wherever possible. [Class Dojo](#) is our main channel of communication and hosts a wealth of information about school life. We post daily on the app and encourage all parents to 'check in' as regularly as possible.

Class Dojo is an online learning platform ran by an educational technology company. It allows us as a school to connect to parents/carers through communication features, such as a feed for photos and videos from the school day and messaging that can be translated into more than 35 languages. Classes can be shared with other staff members in school, including school leaders, so that learning can be shared and celebrated.

As your child has joined our school family recently, we wanted to offer the opportunity to talk to you more about Class Dojo and share how it works. **I am encouraging you to attend a Parent Workshop hosted by Miss Wright on Wednesday, 11th October at 09:00am** in the school hall. The workshop will last no longer than 20 minutes.

During the workshop Miss Wright will share:

- How to sign up to Class Dojo and access your child's class (if you haven't already 😊)
- How to check the school page and class page. Regular photos of your child's learning are shared her.
- How to message staff on the app
- Our home reading expectations, and where to share videos of your child reading at home

Thank you, as always, for your ongoing support.

Kind regards,

Ms. K Leach and Mrs. K Morley
